Business meeting to follow. ASCLS-Hawaii members who stay through the midyear meeting will receive a gift card in support of our local restaurant Industry. 1.0 general PACE Contact Hours Pending. Instructional level: basic

ASCLS-Hawaii is an approved provider of continuing education programs in clinical laboratory science through the ASCLS P.A.C.E Program. This course is approved for CA licensed clinical laboratory scientists and personnel.

Learning objectives:

1. Express a scientific message in an understandable manner.
2. Identify elements of speaking to communicate what is wanted to convey.
3. Describe essentials in communication through empathy and awareness of what another person is thinking.

Gloria Shishido, DTM, MHA

Gloria is a retired clinical laboratory scientist with extensive experience at Queens Medical Center in Clinical laboratory and Human Resources Management. She has held noted leadership positions in many work and professional organizations. She is currently active in Toastmasters International, which emphasizes communication, public speaking and leadership
